Show your true colours
and support your country
in the World Cup.

Using a damp sponge and White paint, paint a wide stripe down the centre of the face. Make sure that the eyes are kept tightly closed.

With Royal Blue paint and the brush, carefully paint a neat line down the left hand edge of the white stripe. Then fill in the left hand side of the face using the sponge.

With Bright Red paint and the brush, paint a neat line down the right hand edge of the white stripe. Then fill in the right hand side using the sponge.
