The world's favourite face and body paint

Shout loud and be proud of your country in the soccer World Cup.

Using a brush and Sky Blue paint, draw a straight line down the centre of the forehead to the middle of the nose and then straight across the left cheek to divide the face into a quarter. Fill in using a damp sponge.

With White paint and the brush, paint wide horizontal stripes across the face. Carefully paint some stars on the blue section.

With Bright Red paint and the brush, paint wide horizontal stripes across the face in between the white ones.
