

Halloween is the one time of year when children can be "little devils" and not get into trouble!

EQUIPMENT REQUIRED

WHITE face paint

BRIGHT RED face paint

ORANGE face paint

BLACK face paint

Snazaroo Multi-purpose brush

1

Using a brush, outline the upper eyelid with WHITE paint, exaggerating the corners. Then add an upside down triangle at each side of the bottom lip to create "fangs".

2

Then, using a brush, sweep BRIGHT RED paint across the eyelid, curling the ends up over the eyebrows. Paint the lips in the same colour. Using ORANGE paint, draw a line from the inner corner of the eye to the centre of the cheek, on each side.

3

To finish, create eyebrows, sideburns and a goatee beard with BLACK paint using dramatic strokes.
