

Every witch needs her cat, especially at Halloween, when there are spooks about!

EQUIPMENT REQUIRED

WHITE face paint

PURPLE face paint

BLACK face paint

Hi-density sponge

Snazaroo Multi-purpose brush

1

Using a damp sponge, dab on WHITE paint in the shape of a cat's head, with the ears extending up onto the forehead.

2

With PURPLE paint and the sponge, dab on some patches of colour on the cheeks and in the centre of the cat's ears, blending carefully into the White paint.

3

Using BLACK paint and the brush, draw a "fluffy" outline around the whole cat face. Draw cobwebs between the ears and at the corner of the eyes. Paint in large nostrils, a centre line on the top lip, adding dots for whiskers. Paint the lips.
